“I want to protect drinking water for my kids”

Laura Benschneider, Homer, IL

## Homer Village Board Coal Mine Meeting

Homer will vote on the sale of water and sewer services to the proposed coal mine. Please plan to attend:

**Monday, December 10th, 7:00pm**

**Act Now:** Please call your Village Board members (217) 896-2521 and ask them to vote “no” on any water or sewer sales to the proposed coal mine.

Your Village Board members need to hear that you support protecting clean water and farmland from a coal mine.
