

Proposed Bulldog Mine Public Hearing

The Illinois Department of Natural Resources will hold a public hearing for Sunrise Coal's permit application for the proposed Bulldog Mine. This is a chance to ask questions and make comments regarding the proposed mine and deficiencies in the permit application.

Even if you do not wish to comment, please attend so that we can demonstrate to IDNR how much the community supports the productive farmland, clean air and water, safe roads, and way of life that we cherish in east-central Illinois.
